A2

I hereby apply for the examination to issue the additional certificate "certified tradesperson" of the Passive House Institute and accept the following regulations:

- I hereby accept the current examination regulations.
- The course provider/exam host with whom I register for the exam forwards this data to the Passive House Institute for internal use.
- The course provider/examination host sends the original examination documents processed by me and the results of the initial correction by the course provider/examination host to the Passive House Institute for further processing.
- After the second correction, the Passive House Institute forwards the final examination result to the course provider/examination host for internal use.
- I hereby acknowledge that a legal challenge of the correction and the examination result is not possible.
- I hereby confirm that I have paid or will pay the examination fees of the course provider/examination host.
- I hereby certify that the documents submitted/to be submitted by me represent my own intellectual achievement.
- I hereby certify that I will use the certificate or the associated seal only in relation to my person (e.g. business cards, letterhead, e-mail signature, etc.).
- I hereby certify that the information provided by me is correct.
- I agree to receive information in connection with the certificate "certified passive tradesperson" or the additional certificates and the renewal of the certificate (even after the certificate has expired) (e.g. information on events that are suitable for the certificate renewal). I can revoke this consent at any time (e.g. by changing my profile after contacting the Passive House Institute).
- Further information about the handling of my data can be found in the data protection declaration of the PHI, which is accessible on the website passiv.de.
