

Passivhaus Social Housing: New build

Date: 18 January 2023

Time: 14:00 - 17:00

Location: Online

Cost: Free to attend for LA/HAs,
PHT members: £35 +VAT, Non-members: £50 + VAT

The cost of living crisis and concerns about energy security have sharpened the focus on the pressing issue of fuel poverty. We are calling all Local Authorities & Housing Associations seeking solutions to protect their most vulnerable from energy price hikes, damp & mould. This introductory-level event is a must-attend for you!

Discover the [life-changing reasons](#) why so many local councils are adopting Passivhaus, and how they deliver high standards at scale. Explore crucial delivery questions around procurement and rising materials costs. We will be sharing examples and inspiration from [large-scale housing developments](#), demonstrating the art of the possible.

No excuses - it's **#FREE** for social housing providers & a recording is available to anyone who can't make the date! Is your council building to Passivhaus Standards yet? Join us on Wednesday 18 January to take further steps on your Passivhaus journey! *Please share.*
